

Rothvale

Vineyard and Winery
Hunter Valley NSW - Australia

100% Hunter - “hand picked”

Nestled beneath the magnificent Brokenback Range of Pokolbin in the Hunter Valley of NSW is Rothvale, one of the Hunter Valley's newest wineries creating fine classic Hunter wines of Semillon, Chardonnay, Shiraz and Cabernet Sauvignon.

Our First Vintage was made from 25 year old vines and is gaining recognition with local winemakers as some of the best wine produced in the Hunter Valley region.

Rothvale Wines

Rothvale Unwooded Chardonnay

100% Chardonnay

Sweet pineapple & passionfruit on the nose but dry and refreshing to the palate. Long finishing fruit flavours. Excellent drinking now and will only get better!

Rothvale Reserve Chardonnay F

(100% barrel fermented in French oak)

Creamy layers of white peach and melon with subtle nutty French oak. Elegant and luscious in the mouth. Already showing complexity at such an early age!

Rothvale Reserve Chardonnay A

(100% barrel fermented in American oak)

Displaying rich characters of melon and citrus balance with sweet smoky American oak. Maturation on barrel lees has given this wine a full flavoured long finish, with good balance. Works well with food.

Rothvale Tilda's Shiraz

Deep vibrant plum in colour showing attractive pepper and spice fruit characters, with well balanced oak. Generous tannins with plenty of structure. Should be decanted before serving. An excellent Hunter Shiraz for the serious 'red' wine lovers.

Rothvale Luke's Shiraz

Aromatic berry and cedary oak vanillin, supported by intense shiraz fruit on the palate. Complex flavours of cedar and saddle leather followed by firm fine tannins complete this wine. Suitable for early consumption or will benefit from cellar ageing.

Rothvale Cabernet Sauvignon

Ruby red in colour, this wine shows plenty of spicy plum characters with green leafy overtones. Good structure and balanced oak. Long flavours that will benefit by decanting before serving.
